Art in Class - volunteer in class to lead art project, with teacher guidance

Bryant Arts Night (May) Event to show our students' artwork, bring the community together and fundraise for PTO. Help is needed in all areas, from a couple of hours to more interesting positions.

Fundraising Committee (meets in January & May or August) Be a part of the decision making team that brings funding into Bryant.

Garden Party & Earth Day Celebration (April) A community festival led by Peace Committee. Help will be needed in all areas.

---

---

---

---

Garden Club (ongoing) Club that maintains and works in the garden.

---

---

---

---

Nominating Committee (April) Helps find our next batch of leaders for PTO.

---

---

Budget Committee (May or August) Be a part of the big decisions and better understand where we get money and where it goes.

---

---

Audit Committee (June) Admit it, it just sounds fun to audit the PTO books. Keep us honest!

---

---

Classroom Partners (ongoing) If you would like to be the room parent for your child's classroom. Not every classroom has an opening, but we will submit your name to the Class Parent where there is one already in place.

---

---

---

---

---

---

---

---

Data Entry (ongoing) Yeah, we run through a lot of data. If you have a love affair with Excel or are good with databases, for crying out loud, put your name down.

---

---

Thursday Folders (ongoing) Someone has to put all that stuff in there. This year, we want to set up a system to avoid duplicate info when you multiple students, but we need people power.

---

---

---

---

Administrivia - There is a lot of paperwork, tracking and other scintillating tasks to be done throughout the year. If you are the sort who doesn't mind getting a desperate call and swooping in to save the day, this is for you!
